Journal & Guide,
Norfolk, Va.

Dear Mr. Graves:

I am writing to tell you the Homestead Grays are coming South with us June 29th and 30th, July 1st and 2nd. I am writing now to secure the Parks and will let you know definitely as soon as everything is lined up.

We have planned to be in Newport News on the 29th, Norfolk the 30th, Greensboro, N. C. July 1st and Portsmouth the 2nd. If these games are properly played up, we should do pretty good as the Grays are a big attraction everywhere. I am writing you now so as to give you time to lay your plans for some real good publicity.

Look to hear from me again in a week or so.

Very truly yours,
